

## AMERICAN COLLEGIATE ROWING ASSOCIATION ELIGIBILITY NOTIFICATION

**ELIGIBILITY GUIDELINES:** Due to the significant impact on rosters and programs over the past two seasons, the ACRA Board has revised our eligibility guidelines for the 2022 ACRA Championship Regatta. A full description of the ACRA Regatta Eligibility rules can be found in the Regatta Packet on pages 7-8.

**NOVICE ELIGIBILITY:** Any athlete that started their collegiate competition from Fall, 2019 or later remains eligible for Novice competition in the 2022 ACRA Championship Regatta.

**ATHLETE ELIGIBILITY:** An athlete at the ACRA Championship Regatta typically has four years of eligibility to compete within five years of starting their first semester at a collegiate institution. Due to the impact of COVID-19, the 2020 and 2021 season of competition is forgiven even if an athlete was able to race. Any athlete attending a collegiate institution during the fall of 2019 through the spring of 2021 will have six years to complete their four years of eligibility.

Thank you to all of our membership for their feedback as we have considered the best course of action for the ACRA Championships this season. If you have any comments or questions, please reach out to the ACRA Board, or your Regional Representative. We look forward to the 2022 ACRA National Championships.
