

## ACRA REGATTA ANNOUNCEMENT

The ACRA Board is pleased to announce the next three ACRA Regattas will take place in Oak Ridge, TN:

- May 17-19, 2024
- May 16-18, 2025
- May 15-17, 2026

After reviewing feedback from the membership, receiving bids from different venues, and discussing the impact on ACRA itself; the decision was made to keep the ACRA Regatta in Oak Ridge for the next three years. Please note, due to the continued increase in the membership of the regatta and race entries, the regatta plans to start racing from 7:00am on Friday, May 17 and conclude by 1:00pm on Sunday, May 19, as was run in 2023. This information is designed to assist team in their travel plans for 2024-2026, and also improve potential scheduling issues throughout the regatta.

The ACRA Board looks forward to another exciting Championship regatta in May. Please contact your regional representative if you have any further questions.

Sincerely,

Dan Wolleben

ACRA President
