May 24, 2013

Gainesville, GA – The American Collegiate Rowing Association proudly announces the fifth annual Academic All-American teams. Athletes are eligible for Academic All-American consideration if they have completed their second year of school and are eligible to compete at the regatta. Athletes with a cumulative GPA of 3.85 or higher are named First Team Academic All-American, and athletes with a cumulative GPA of between 3.5 and 3.84 are named Second Team Academic All-American. Congratulations to all those who received this honor.
